**SAFEGUARDING POLICY**  
**Children and Young People**

**Policy reviewed and updated on 5 June 2022 and approved  
by the PCC on the 7<sup>th</sup> September 2022**

## **St MARGARETS DRAYCOTT**

### **SAFEGUARDING POLICY FOR CHILDREN AND YOUNG PEOPLE**

#### **Mission Statement**

The PCC of St Margaret's Church, Draycott, is fully committed to protect and safeguard the children and young people in their care. It fully accepts the principles enshrined in the Children Act 1989 that the welfare of the child is paramount. The care and protection of children and young people involved in church activities is the responsibility of everyone who participates in the life of the church.

#### **Church Fellowship**

As Christians we try to conduct our lives and the ministry of the church as we believe Jesus would have done. We recognise that children were a great focus of his own ministry. He also taught the importance of family values, the need for dignity, respect and love for all individuals regardless of age. On a practical level, we as church members appreciate the liveliness, enthusiasm and vitality that children bring to our fellowship. We want this ministry to grow. We want all our children to grow as worshipping Christian adults who will put into practice the lessons they learn as children. We must also acknowledge and enjoy the fact that children and young people as well as being the church of tomorrow are also very much part of the church of today.

Yet children and young people are different from adults. They have special needs for guidance, love and protection. Children learn from us, the example we give them at church is their example of a Christian life. We must all be able to demonstrate God's love for us to all of them.

#### **Recognition and Responsibility**

The PCC recognises the responsibility of undertaking every possible action to prevent any form of abuse of children and young people in its care.

The PCC has adopted the National and Diocesan Safeguarding Policies and is committed to following guidance and recommendations contained in the Church of England House of Bishops Policy, 'Protecting All God's Children' (2010), the Safer Recruitment and People Management Guidance (2021) and Promoting a Safer Church: House of Bishops Policy Statement (2017).

The PCC will ensure that the Parish will report and record in line with Diocesan Policies and comply with local guidance for implementing national policies as defined in Diocese policies. These include the Diocese Safeguarding Policy and Guidance (2017) as amended (2021), Recording With Care Policy, Social Media Policy and Safer Recruitment Policy; application of DBS and training policy as relating to safeguarding (revised 2022).

The PCC recognise that children by virtue of legal status and dependency on adults for their emotional and physical needs will always be vulnerable and at a disadvantage. We commit to considering this in our children's activities – undertaking supervision of staff and volunteers working with them and risk assessing activities and groups as a check and balance in our work.

The PCC will ensure all persons with leadership roles either professional or voluntary, all PCC members, church wardens, or anyone working with children and young people have appropriate enhanced DBS Checks, in order to identify any risks based on historic actions or behaviour. DBS Checks are now required to be updated every 3 years.

The PCC uses the Lichfield Diocese online system for DBS checks through thirtyone:eight for the processing of our staff, PCC members and volunteers who require an enhanced DBS check.

The PCC will at a parish level seek to work alongside other faith groups and build/maintain communications locally. This shared collaboration will support us in achieving best practice.

The PCC is committed to the protection of children and young people by our actions and attitudes. Any issues concerning a child's well-being will be reported and acted on immediately in accordance with the procedures set out in 'Protecting All God's Children.

- We will not collude, keep secrets or make decisions when we have suspicion of abuse. We will seek through discussion the views of others and ensure through use of external agencies and the diocese safeguarding service that we engage and welcome external perspectives in order to promote a healthy accountable culture.
- We will report without being bias to our personal view. We will report and not investigate.
- We will record concerns factually in diocese suggested formats (as per Recording With Care Policy 2017)
- We will not take chances with the welfare of children and young people
- We are open to scrutiny and encourage this in others.
- We have zero tolerance to abuse and put the welfare of children and young first.
- We take seriously training and activities relating to the safeguarding of children and young people and seek to engrain this in our congregational culture

The PCC will always strive to provide a safe, friendly and welcoming environment and will ensure full compliance with Health and Safety Guidelines.

The PCC will carry Public Liability, Employers Liability and will insure all leaders and staff for Personal Accident within the terms and conditions of our Policy issued by our insurers: Ecclesiastical Insurance Group.

The PCC require groups that are working with children and young people:

- To agree clear roles for leaders
- Set up structures to train and support their leaders in their roles
- Agree statements of working practice
- Undertake risk assessments for group activities/outings/special events

## **Administration**

A copy of the Safeguarding Policy and the House of Bishops Policy 'Protecting all God's Children' (2010) can be viewed in St. Margaret's Vestry. The Safeguarding Policy can also be viewed on the Church's website at [www.stmargaretsdraycott.org](http://www.stmargaretsdraycott.org) Further information on Safeguarding can also be found online via the Lichfield Diocese Website: [www.lichfield.anglican.org](http://www.lichfield.anglican.org).

The PCC will publish on the notice boards at the back of the church a copy of the Diocesan Safeguarding Flowchart. In addition all validated leaders will be given a copy.

Currently St Margaret's does not operate any children or young peoples groups, but should the situation change, all group leaders will hold a copy of the current Safeguarding Policy. They will have the responsibility to ensure that all people working with children and young people in their group have read the policy and follow the good practice procedures outlined.

In accordance with the Diocesan Social Media Policy the PCC will appoint a named person who will monitor all Facebook accounts or similar online groups set up on the church's behalf.

Following the Annual Church Meeting the new PCC will:

- (1) Review and update as required the Safeguarding Policy and the Parish Safeguarding Checklist
- (2) Be made aware of any new group/s which have been established working with children and young people and the designated leader/s.

### **Record Keeping**

All records relating to safeguarding issues within the Parish will be retained for 75 years (in order to cover the likely lifespan of a survivor of abuse). Such records will be held in secure storage with restricted access on a 'need to know' basis.

To be able to identify and prove insurance cover in the event of claims made for damages by survivors of church-based abuse Insurance Certificates will be retained for at least a period of 75 years, (the likely lifespan of a potential victim).

Each group will be responsible for keeping appropriate records including an up-to-date register of leaders and children/young people present. These records will include a log and if applicable, accident forms each time they meet.

All groups will complete a risk assessment and child protection assessment for regular activities, trips or special events.

All records concerning children, young people, their leaders and their work is to be kept in a secure place, being aware that information is confidential and should remain so. All information should be held in accordance with the General Data Protection Regulation requirements.

0-3 years of age	1:3
3-5 years of age	1:6
5+ years of age	1:8

Leaders should not be alone with children or young people, therefore all groups should have at least two adult leaders present at all times. In the case of mixed gender groups, this should include male and female leaders wherever possible.

If St Margaret's were running any youth and/or children's groups they would be covered by our insurance policy. Group leaders are responsible for checking against our insurance policy for different activities and off-site visits/outing.

## **Appendix I**

Child abuse has many forms. Here are four identified categories of abuse described in The Church of England document ‘Protecting all God’s Children. These definitions are taken from Working Together to Safeguard Children 2010.

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm.

Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger, for example via the internet. They may be abused by another adult or adults, or another child or children.

1 Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.

2 Sexual abuse involves forcing or enticing a child to take part in sexual activities not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

3 Neglect is the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- protect a child from physical and emotional harm or danger;
- ensure adequate supervision (including the use of inadequate care-givers);
- ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

4 Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only in so far as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ridiculing what they say or how they communicate. Emotional abuse may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may also involve: seeing or hearing the ill-treatment of another, for example in domestic violence situations; serious bullying (including cyber-bullying); causing children frequently to feel frightened or in danger; exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child but it may occur as the sole or main form of abuse.

**Significant Harm** For a fuller explanation of this term please see Paragraph A2.6 of Protecting all God's children 3rd ed. 17

### Guidelines for Safeguarding Children and Young People

Based on 'Protecting All God's Children,  
The Policy for Safeguarding Children in the Church of England' (written by The  
Church of England)

[www.churchofengland.org/media/37378/protectingallgodschildren.pdf](http://www.churchofengland.org/media/37378/protectingallgodschildren.pdf)

#### Guidelines for individual workers

##### You should:

- treat all children and young people with respect and dignity
- ensure that your own language, tone of voice and body language is respectful
- always aim to work within sight of another adult
- ensure another leader is informed if a child needs to be taken to the toilet. Toilet breaks should be organised for young children.
- ensure that children and young people know who they can talk to if they need to speak to someone about a personal concern
- respond warmly to a child who needs comforting, but make sure there are other adults around
- if any activity requires physical contact, ensure that the child and parents are aware of this and its nature beforehand
- administer any necessary First Aid with others around
- obtain consent for any photographs/videos to be taken, shown or displayed;
- record any concerning incidents and give the information to the Parish Safeguarding Officer. Sign and date the record.
- always share concerns about a child or the behaviour of another worker with your group leader and/or the Parish Safeguarding Officer.
- As adults do not put yourself at risk. Make sure there are other adults present.

##### You should not:

- initiate physical contact. Any necessary contact (e.g. for comfort, see above) should be initiated by the child
- invade a child's privacy while washing or toileting
- play rough physical or sexually provocative games
- use any form of physical punishment
- be sexually suggestive about or to a child even in fun
- touch a child inappropriately or obtrusively
- scapegoat, ridicule or reject a child, group or adult
- permit abusive peer activities e.g. initiation ceremonies, ridiculing or bullying
- show favouritism to any one child or group
- allow a child or young person to involve you in excessive attention seeking that is overtly physical or sexual in nature
- give lifts to children or young people on their own or on your own
- smoke tobacco in the presence of children
- drink alcohol when responsible for young people
- share sleeping accommodation with children
- invite a child to your home alone
- arrange social occasions with children (other than family members) outside organised group occasions
- allow unknown adults access to children. Visitors should always be accompanied by a known person
- allow strangers to give children lifts.

## **Touch**

Church-sponsored groups and activities should provide a warm, nurturing environment for children and young people, while avoiding any inappropriate behaviour or the risk of allegations being made. Child abuse is harm of a very serious nature so that it is unlikely that any type of physical contact in the course of children and youth work could be misconstrued as abuse. **All volunteers must work with or within sight of another adult.**

Very occasionally it may be necessary to restrain a child or young person who is harming her/himself or others. Use the least possible force and inform the church's Parish Safeguarding Officer and/or the group leader as soon as possible. All such incidents should be recorded and the information given to the Parish Safeguarding Officer. You should not restrain or restrict a child if there is no immediate harm to the child or to others.

All physical contact should be an appropriate response to the child's needs not the needs of the adult. Colleagues must be prepared to support each other and act or speak out if they think any adult is behaving inappropriately.

## **Additional guidelines for group leaders**

In addition to the above the Children's and Youth Discipleship Enabler and/or the group leader should:

- ensure any health and safety requirements are adhered to
- undertake risk assessments with appropriate action taken and record kept
- ensure register and consent forms are up to date, and kept out of view of the public
- have an awareness, at all times, of what is taking place and who is present
- create space for children and/or adults to talk – either formally or informally
- liaise with the Parish Safeguarding Officer over good practice for safeguarding
- always inform the Parish Safeguarding Officer of any specific safeguarding concerns that arise who will liaise with the Diocesan Safeguarding Adviser.

## **Responding to child protection concerns**

Do not try to deal with any child protection concern on your own. Always tell your group leader and Parish Safeguarding Officer. Always make **notes** as accurately as possible, as soon as possible. These should **cover**:

- what has happened
- in what context
- anything that seemed particularly significant
- quote the child's words exactly where possible.
- sign the record
- add your name, role, date of incident and date of the recording.

Record concerns factually in Diocese suggested formats as per Diocese recording with care policy 2017. Give a copy of your notes to the Parish Safeguarding Officer.

## APPENDIX III

### Church of England Confidential Declaration Form

#### **Church of England Confidential Declaration Guidance and Privacy Notice**

The Confidential Declaration must be completed by all those wishing to work with children and/or adults experiencing, or at risk of abuse or neglect. It applies to all roles, including clergy, employees, ordinands and volunteers who are to be in substantial contact with children and/or adults experiencing or at risk of abuse or neglect.

If you answer yes to any question, please give details, on a separate sheet if necessary, giving the number of the question that you are answering.

The Privacy Notice attached to this form (see page 5 onwards) explains how the information you supply in your Confidential Declaration is used and your rights with respect to that data as required by the General Data Protection Regulation 2016/679 (the “GDPR”) and the Data Protection Act 2018, (the “DPA 2018”).

If you do not complete this form, or if you do not give true, accurate and complete information in response to the questions it contains, this may amount to misconduct under the Clergy Discipline Measure 2003 and your appointment will not proceed.

1. Have you ever been convicted of or charged with a criminal offence or been bound over to keep the peace that has not been filtered in accordance with the DBS filtering rules<sup>1</sup>? (Include both ‘spent<sup>2</sup>’ and ‘unspent’ convictions) YES / NO
2. Have you ever received a caution from the police (excluding youth cautions, reprimands or warnings) that has not been filtered in accordance with the DBS filtering rules<sup>3</sup>? YES / NO

---

<sup>1</sup> You do not have to declare any adult conviction where: (a) 11 years (or 5.5 years if under 18 at the time of the conviction) have passed since the date of the conviction; (b) it did not result in a prison sentence or suspended prison sentence (or detention order) and (c) it does not appear on the DBS’s list of specified offences relevant to safeguarding (broadly violent, drug related and/or sexual in nature). **Please note that a conviction must comply with (a), (b) and (c) in order to be filtered.** Further guidance is provided by the DBS and can be found at <https://www.gov.uk/government/publications/dbs-filtering-guidance/dbs-filtering-guide>

<sup>2</sup> Please note that the ‘rehabilitation periods’ (i.e. the amount of time which has to pass before a conviction etc. can become ‘spent’) have recently been amended by the Legal Aid, Sentencing and Punishment of Offenders Act 2012. Since 10 March 2014, custodial sentences greater than 4 years are never ‘spent’. For further guidance in relation to the ‘rehabilitation periods’, please see <http://hub.unlock.org.uk/knowledgebase/spent-now-brief-guide-changes-roa/>

<sup>3</sup> You do not have to declare any adult caution where: (a) 6 years have passed since the date of the caution etc. and (b) it does not appear on the DBS’s list of specified offences referred to in footnote 1 above. As of 28 November 2020, youth reprimands, warnings and cautions, are automatically filtered. **Please note that a caution etc. must comply with (a) and (b) in order to be filtered**

*Convictions, cautions etc. and the equivalent obtained abroad must be declared as well as those received in the UK.*

*If you are unsure of how to respond to any of the above please seek advice from an appropriate independent representative (e.g. your solicitor) because any failure to disclose relevant convictions, cautions etc. could result in the withdrawal of approval to work with children and / or adults experiencing, or at risk of abuse or neglect. Although it is important to note that the existence of a conviction, caution etc. will not necessarily bar you from working with vulnerable groups unless it will place such groups at risk.*

3. Are you at present (or have you ever been) under investigation by the police or an employer or the Church or other organisation for which you worked for any offence / misconduct?  
YES / NO
  
4. Are you or have you ever been prohibited and / or barred from work with children and/or vulnerable adults? YES / NO

*Notes applicable to question 4: You **only** need to mention if you have been placed on the DBS Barred List with regard to children and/or vulnerable adults if you will be taking up a position that involves engaging in "regulated activity" with children and/or vulnerable adults. Has a court ever made a finding of fact in relation to you, that you have ill-treated, neglected or otherwise caused harm to a child and / or vulnerable adult, or has any court made an order against you on the basis of any finding or allegation that any child and / or vulnerable adult was at risk of ill-treatment, neglect or other significant harm from you<sup>4</sup>? YES / NO

---

<sup>4</sup> 'harm' involves ill-treatment of any kind including neglect, physical, emotional or sexual abuse, or impairment of physical or mental health development. *Note: if you have answered 'yes' to any of the questions above, please give details here:*

7. To your knowledge, has there ever been an allegation made against you (whether substantiated or not) that your conduct has amounted to or resulted in ill-treatment, neglect or other harm to a child and/or vulnerable adult, or putting a child or vulnerable adult at risk of ill-treatment, neglect or other harm? YES / NO
8. Have you ever had any allegation made against you, which has been reported/referred to, and investigated by the Police/Social Services/Social Work Department (Children or Adult's Social Care)? YES/NO

YES/NO/Not Applicable

If yes, please give details including the nature of the offence(s) and the dates. Please give any further details, such as the reasons or circumstances, which led to the offence(s):

*Note applicable to question 11: You are only required to answer this if you work from home with children. The DBS define home based working as where the applicant for the DBS check carries out some or all of his or her work with children or adults from the place where the applicant lives (this will include **all** clergy). <sup>6</sup>*

Please inform relevant members of your household that you have included their details on this form (if applicable) and give them a copy of the Privacy Notice.
